SHOW INFORMATION (PAGE 2)

Dear Exhibitor,

We are pleased Show Management has selected ICES as your Official Service Contractor. Our objective is to make your exhibit a success.

DISCOUNTED PRICES

Please take some time and read through the packet carefully. It contains information on rates & services provided by ICES. It is very important you process and place your order before **FRIDAY, SEPTEMBER 17, 2010** (top right hand corner of each order form page), to take advantage of the discounted prices.

WE DO NOT ACCEPT PHONE ORDERS. All orders must be placed by mail or fax. The deadline date for advance prices is as noted on the top of each order form. All late orders are subject to an increase of the advance prices.

PAYMENT:

ICES requires payment in full at the time the services are ordered. Payment can be made by credit card (Visa, MasterCard, Discover Card or AMEX), as well as wire transfers (\$ 25.00 service fee will be added to your total for each wire transaction), a U.S. Bank check and cash. We require that you provide a credit card authorization with your initial order. This may be used in the event additional services are required which are not covered with your advanced order payment. A \$ 25.00 handling charge will be assessed for any checks returned by your bank due to insufficient funds.

TRANSPORATION:

For those requiring transportation, ICES suggests the following companies who will be able to assist you in meeting your needs. Please note: container dimensions are:

As your Trade Show partners, our goal is to provide you with hassle-free service so that you can enjoy your show. Even if you use an Exhibitor Appointed Contractor (EAC), you should have a basic understanding of the Exhibitor Service Manual's contents and information.

By following the information provided below, you will have a charmingly smooth trade show experience!

Ordering Trade Show Services

- √ Always include your complete customer information on each order form including address with zip code, phone and fax, email address, contact name, and most importantly, booth number (if available). If you have multiple booth locations, please complete individual order forms for each location (booth, meeting rooms, etc.).
- √ Ensure that all credit card information is complete and correct including the expiration date & cvv #.
- √ When ordering carpet, draped tables or counters remember to select the colors you desire.
- √ Please make sure that the size of carpet ordered is appropriate for your booth space (e.g.: DO NOT order a 9' x 20' carpet for a 10' x 10' booth).
- √ Always keep the total square footage of your booth in mind when ordering decorating items. DON'T order more than will comfortably fit and still allow you to do business.

Inbound - Move In

- √ Confirm your furnishing orders with ICES. You should receive a confirmation of your order within 3 - 5 days of placement.
- √ Confirm target dates with ICES and communicate them to your carrier. Refer to the Special Handling section on the Material Handling Information Sheet to ensure you do not incur special handling charges.
- √ Keep phone number of your carrier with you, including weekend contacts.
- √ Have your hotel information available, including phone number, address, etc.
- √ After emptying crates, place "EMPTY" labels on all sides of your crates and cases. Remember to remove old "EMPTY" labels.

Show Site

- √ Put together a trade show survival kit to include in your freight or carry with you, including:
 - Small Tool Kit
 - Staples, Scissors, Tape
 - Pens & Markers for Labels
 - First Aid Kit
 - Bottled Water

Outbound - Move Out

- √ Keep in mind, the return of empty containers can take from 2 to 12 hours (depending upon the size of the show), so coordinate your outbound flight to accommodate this.

PAYMENT TERMS & CONDITION

Safety is very important for everyone working in the exhibit hall - especially you!

ICES is committed to safety throughout our company and in the work that we do. We request that you make safety a part of your activities during the show. If you see something unsafe or that presents a hazard, please bring it to the attention of a **ICES** supervisor. By reporting unsafe or hazardous conditions, you will help make the show safer and more enjoyable for yourself and your fellow exhibitors.

Below you will find a list of Loss Prevention Guidelines that we request you follow while at show site. These Guidelines will enhance the overall safety of the show and help to prevent injuries to you, our employees and other exhibitors.

EXHIBITOR LOSS PREVENTION GUIDESLINES AT SHOW SITE

- * Exhibitors should treat the show areas during move-in and move-out as they would a construction site, when work is on-going. Wearing of appropriate attire includes footwear with hard soles that protects against potential injuries from site debris, and limits potential for slip and falls. Heels, flip flops and open-toed shoes are inappropriate and violate safety standard.
- * Smoking is prohibited except in designated areas. Please be sure all cigarettes are fully extinguished.
- * Standing on chairs, tables and other furniture is **PROHIBITED**. The furniture is not designated to support your standing weight. Please use a ladder or ask an **ICES** personnel for assistance.
- * **ICES** forklifts and carts are to be used by authorized **ICES** personnel only. Please do not operate this equipment. Bicycles, skateboards, skates, etc. prohibited on the show floor unless approved by the facility in advance. If you are authorized to use your own cart, please be sure to register it with the facility. They should also provide you with a "safe operating" procedure. If they do not, a ICES representative at the Exhibitor Service Desk can provide it to you.
- * Be aware of the forklifts moving throughout the aisles and docks. Please stay clear of them, especially when they are carrying a crate of load. Keep the aisles free and open at all times. Please utilize your booth space to store and work in while preparing your booth.
- * Never run in the exhibit hall. Please walk. Watch your step in the aisles and stay away from the loading docks.
- * Electrical wires and cords can be hazardous if frayed or stretched over a walkway. Please check all cords for damage. Notify an ICES supervisor if you need assistance repairing or removing a damaged cord. Do not overheat outlets or plugs.
- * Please keep fire exits clear. Report any fires immediately or pull the nearest fire alarm.
- * If you spill something, or notice a spill, clean it up or report it immediately. Please do not walk away from a spill.
- * Use good housekeeping. Dispose of waste properly and keep materials stacked securely.
- * Keep aisles free and clear of any and all debris.
- * Protect your valuables while on the show floor. Please keep all expensive or valuable items secured. Unattended items in booths are easy theft targets.
- * Notify an ICES representative of any safety issues or concerns.

SAFETY FIRST!

- 8.) COMPRESSED AIR CYLINDERS, INCLUDING LPG, ARE PROHIBITED UNLESS APPROVED BY FIRE SAFETY OFFICE. Flammable gases, i.e.: butane, propane, natural gases, etal; are subject to prior approval. Non-flammable compressed gas cylinders must be secured in an upright position with gauges and regulator protected against physical damage.
- 9.) ALL 100 VOLT EXTENSION CORDS SHALL BE THREE-WIRED (GROUNDED), #14 OR LARGER AWG, COPPERWIRE, CONNECTORS MUST NOT BE SUPPORTED BY CORDS. Two wire, "Zip Cords" are not permitted other than factory installed appliance connectors, these may not exceed six (6) feet in length and must be UL approved.
- 10.) MULTI-PLUG ADAPTERS MUST BE UL APPROVED AND HAVE BUILT-IN OVERLOAD PROTECTION. Connectors must not be used to exceed their listed ampere rating.
- 11.) THE OFFICIAL ELECTRICAL CONTRACTOR MUST DO ELECTRICAL WORK UNDER CARPETS. All wiring on the floor must be Type "SO" cord, insulated to qualify for "extra hard usage" and must be No. 12AWG, or larger, and must be protected against damage.

FIRE, SAFETY & LABOR REGULATIONS

- 12.) ALL TEMPORARY WIRING MUST BE ACCESSIBLE AND FREE FROM DEBRIS AND STORAGE MATERIALS. Hard walled booths must have power supplies dropped within the booth.
- 13.) NO STORAGE OF ANY KIND IS ALLOWED BEHIND BOOTHS OR NEAR ELECTRICAL SERVICE. Materials necessary to the exhibit must be stored within the exhibit. Electrical cords and connectors must be accessible and shall not be covered.
- 14.) AREAS ENCLOSED BY SOLID WALLS AND CEILINGS MUST BE EQUIPPED WITH APPROVED SMOKE DETECTORS.
- 15.) ALL EMPTY CARTONS OR CRATES MUST BE LABELED AND REMOVED FOR STORAGE OR THEY WILL BE REMOVED AS TRASH. Crates are not to be used as exhibit supports.
- 16.) MATERIALS FOR HANDOUTS MUST BE LIMITED TO ONE DAY SUPPLY AND MUST BE STORED NEATLY WITHIN THE BOOTH. All storage must be clear of electric cables or junction boxes.
- 17.) FLAMMABLE OR COMBUSTIBLE LIQUIDS ARE PROHIBITED INSIDE OF BUILDINGS EXCEPT AS APPROVED BY THE FIRE SAFETY OFFICE. Flammable thinners, solvents and paints, including aerosol cans, are strictly prohibited within the building.
- 18.) ALL FIRE HOSE BOXES MUST BE KEPT COMPLETELY CLEAR. All fire exit signs must be unobstructed.
- 19.) 9'0" wide aisles are the norm, although the state minimum is 5'0". A minimum of 20'0" in front of any exit/entrance door must be kept clear.

LABOR GUIDELINES - FOR ALL HAWAII CONVENTION SITES

- 1.) Hawaii is a right-to-work state and "producer's choice" applies
- 2.) If a producer requests/mandates union labor, it is supplied
- 3.) 90% of the trade shows in Hawaii use non-union labor from the Service Contractor and exhibitors may install/dismantle their own exhibits freely.

Customer is responsible for insuring its' own Goods for any and all risk or loss.</p> <p>Labor - ICES assumes no liability for loss, damage, or bodily injury arising out of Customer's supervision of ICES provided labor. If ICES supervises labor for a fee, ICES shall be liable only for actions or claims arising out of its' negligent supervision. If Customer elects to use unsupervised labor, then Customer assumes all liability for the actions or claims that arise out of such work, and shall provide ICES and show management with an indemnity, including defense costs, for any claims that result from Customers' supervision or failure to supervise assigned labor.</p> <p>Empty Storage - ICES assumes no liability for loss or damage to Goods or crates, or the contents therein, while containers are in storage. It is Customer's sole responsibility to affix the appropriate labels available at the ICES Service Desk for empty container storage. Damage that is the direct result of ICES' negligence shall be subject to the limitations of liability set forth in this document.</p> <p>Forced Freight - ICES shall not be liable for Goods not picked up by Customers' chosen carrier by the show deadline. It is Customer's responsibility to complete accurate paperwork for shipping and insure its' Goods are appropriately labeled. Customer acknowledges that it is a lessee of space, and as such has an obligation to remove its' Goods on or before the targeted time. If Goods remain on the floor after this point, ICES has the right to remove them in order to restore the premises to its' original condition for show management pursuant to the venue's</p>
--	---

lease with show management. In such cases ICES is authorized to proceed in the manner chosen by Customer on the Order for Material Handling Services / Straight Bill of Lading. Failure to select one of the provided options will result in re-routing at ICES' discretion, and at Customer's expense assuming the Goods are labeled for return. ICES retains the right to dispose of Goods left on the show floor without liability if left unattended, left without labels or not correctly labeled.

Concealed Damage - ICES shall not be liable for concealed loss or damage, uncrated Goods, or improperly packaged or labeled Goods.

Unattended Booth - ICES shall not be liable for any loss or damage occurring while Goods are unattended in Customers booth at any time, including but not limited to the time the Goods are delivered to the dock until the time the Goods are received by Customers' chosen carrier. All Material Handling Forms and/or Straight Bills of Lading covering outgoing Goods submitted to ICES will be checked at the time of pickup from the booth and corrections to the count or condition will be documented where discrepancies exist.

Measure of damage - ICES' liability shall be limited to the lesser of (1) the depreciated value of Goods, (2) repair cost, or (3) the limitation of liability. The limitation of liability shall be \$0.30 (thirty cents) per pound per piece, with a maximum liability of \$50.00 (fifty dollars) per item or \$1000.00 (one thousand dollars) per shipment, whichever is less.

Excess Declared Value - If Customer wishes a higher limitation of liability than stated above, for loss or damage to property that occurs during the show, the Customer may do so by declaring a value in the space provided on the ICES services order form(s) and also on the Material Handling Order Form and paying by the appropriate additional charge in advance of the commencement of services by ICES. Maximum liability for damages resulting from ICES negligence shall then be increased to the amount of declared, but in no case shall it exceed the depreciated value of the Goods or repair costs, whichever is less. In case of partial loss or damage, the maximum liability shall be prorated based upon weight. Excess Declared Value is not for: plasma screens, or other fragile electronic equipment, original art, and prototypes. The Declared Value may never exceed \$100,000 for the purpose of this provision and ICES' liability in all circumstances liability in all circumstances shall be limited to the amount of this cap.

No Insurance - ICES is not an insurance company and does not offer or provide insurance. It is the obligation of Customer to ensure Goods are insured at all times. Loss or theft of the Goods in storage or in transit to and from the show and or while on the show floor is the sole responsibility of Customer, unless it is shown that ICES performed in a manner that constitutes gross negligence in the performance of its services for Customer.

Notice of loss or damage - In order to have a valid claim notice of loss or damage to Goods must be given to ICES or its agent within 24 hours of occurrence or delivery of Goods, whichever is later.

Filing of Claim - Any claim of loss or damage to Goods must be in writing, containing facts sufficient to identify the Goods, asserting liability for alleged loss or damage, and making claim for the payment of a specified or determinable amount of money. Such claim must be filed with the appropriate party within the time limits specified below.

Damage Reports, incident reports, inspection reports, notations of shortage or damage on

freight bills or other documents, do not constitute filing of claim. Claims of Goods alleged to be lost, stolen or damaged at the Show Site must be received in writing by ICES within sixty (60) days after the close of the show. Claims of Goods alleged to be lost or damaged during transit must be received by the responsible party within nine (9) months of date of delivery or months of date of delivery of Goods. Claims for damage in transit should be made directly with the Customer's carrier as shown on the Material Handling Form/Bill of Lading. In the event of a dispute with ICES, Customer will not withhold payment of any amount due ICES for Services as an offset against the amount of the alleged loss or damage. Customer agrees to pay ICES prior to the close of the show for all such charges and further agrees that any claim Customer may have against ICES shall be pursued independently by Customer as a separate action to be resolved on its merits. ICES retains the right to pursue collection on amounts owed after show close, without regards to any amount alleged to be owed for damage or loss.

Filing of suit - Any action at law regarding loss or damage to Goods must be filed within two (2) years of the date of declination of any part of a claim.

7. Jurisdiction, Choice of Forum - This Agreement shall be governed by and construed in accordance with the application laws of the United States or, alternatively, and depending on jurisdiction, the laws of the State of Hawaii. The parties hereby submit to jurisdiction and venue in the United States Federal District Court of Hawaii, or as applicable depending upon jurisdiction, the State of Hawaii's Circuit Court in Honolulu, Hawaii.

8. Advanced Warehouseing/Temporary Storage/Long Term Storage
All terms and conditions relative to Advanced Warehousing/Temporary Storage/Long Term Storage are contained in the separate agreement, entitled "Storage Agreement". In the event that a Storage Agreement is not executed between the parties, the following shall apply with respect to, ICES Liability for Customer's Goods:
The responsibility of ICES with respect to Exhibit Material is limited to the exercise of ordinary care and diligence in handling and storing of Customer's Goods. ICES shall be liable only for the loss or damage to Goods caused by ICES' sole negligence. ICES' liability is limited to thirty cents per pound (\$0.30) of the actual cash value per item. In case of partial loss or damage, the maximum liability shall be prorated based on weight. ICES is not responsible for any loss or damage to Goods caused by, but not limited to fire, theft, the elements, vandalism, moisture, vermin, mechanical breakdown or failure, freezing or changes in temperature, as well as any other causes beyond ICES' immediate control. ICES is not responsible for the marring, scratching or breakage of glass or other fragile items. ICES is not liable for the mechanical functions of instruments or appliances event if such articles are packed or unpacked by ICES. In no event shall ICES be liable for special, incidental, indirect or consequential damages, including business loss of any kind, resulting from any damage to or loss of the Goods or from any act or failure to act. Customer pays storage fees, if any or costs for advance warehousing for use of the space only. There is no guarantee of security or representations made by ICES as to appropriateness of the condition for Exhibitors' Material. The risk of loss remains the Customers alone and ICES recommends the Customer carry and maintain insurance in amounts sufficient to cover its' risk.

I have read & agree to this Limits of Liability:

Material Handling is the unloading of your exhibit materials, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth for reloading onto your outbound carrier. This is not to be confused with the cost of transport your exhibit materials to and from the event.

BENEFITS OF ADVANCE SHIPPING TO ICES WAREHOUSE

- ☆ Storage of materials for up to 14 days prior to your show.
- ☆ Delivery of Shipments to your booth before you move-in (schedule permitting)
- ☆ Some convention centers and hotels do not have facilities for receiving or storing freight
- ☆ Saves valuable set-up times

HOW TO SHIP IN ADVANCE TO THE ICES WAREHOUSE

- ☆ Remove all old shipping and empty storage labels
- ☆ Fill out and attach enclosed Advance Shipping Labels
- ☆ Complete the enclosed Material Handling Order Form.
- ☆ Remember to confirm receipt of your shipment prior to leaving for the show.
- ☆ All shipments must have a bill of lading or delivery slip showing the number of pieces, weight and type of merchandise.
- ☆ Certified weight tickets should accompany all shipments.
- ☆ Take the time to ensure that your display and products are packed neatly and securely.

HOW TO SHIP TO EXHIBIT SITE

- ☆ Consign all shipments c/o ICES
- ☆ Remove all old shipping and empty storage labels
- ☆ Fill out and attach enclosed Advance Shipping Labels
- ☆ Complete the enclosed Material Handling Order Form.
- ☆ All shipments must have a bill of lading or delivery slip showing the number of pieces, weight and type of merchandise.
- ☆ Certified weight tickets should accompany all shipments.
- ☆ Take the time to ensure that your display and products are packed neatly and securely.
- ☆ If you are shipping your carpet and/or lighting trusses, make sure it is loaded last so it can be unloaded first.

FREIGHT CARRIERS

Select a carrier with experience in handling exhibition materials. Make sure to give your carrier explicit information as to where and when to check in. Delivery and pick up times are often out of the range of "normal" delivery hours, make sure your carrier is committed to meeting your target dates and times. While making shipping plans to the Show, also plan for the return shipment.

TRACKING SHIPMENTS

Confirm your delivery date and time with your carrier, and have all pertinent shipping information in the hands of your representative at show site. You may also want to review the return of your goods at the end of the show.

ESTIMATING MATERIAL HANDLING CHARGES

Handling charges are based on the weight of the freight. Shipments are billed by the hundred weight and rounded up to the nearest hundred. Minimum per Shipment may apply, see enclosed Material Handling Order Form for details. Please prepay all shipping charges - ICES cannot accept or be responsible for collect shipments. Crated and uncrated shipments must be separated and clearly identified on separate bills of lading with separate weight tickets - otherwise ICES will invoice the entire load at the uncrated rate.

- ☆ **Crated** - Material that is skidded, or is in any type of shipping container that can be unloaded at the dock with no additional handling required.
- ☆ **Uncrated** - Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks
- ☆ **Special Handling** - Defined as shipments that are loaded by cubic space and/or packed in such a manner as to require special handling, such as ground loading, side door loading, constricted space loading and designated piece loading or stacked shipments. Also included are mixed shipments and shipments without prior delivery receipts.
- ☆ **Overtime Surcharges** - Shows that move-in or move-out on weekends or late in the day may be subject to overtime surcharges. See enclosed Material Handling Order Form for details.
- ☆ **Late Surcharges** - A surcharge will apply if advance freight is received after the published deadline date for shipments to arrive at the warehouse. See enclosed Material handling Order Form for details.
- ☆ **Shipment Surcharges** - A surcharge will apply if shipments are received with incomplete information on shipping labels identifying company name and booth number and/or shipments that are left on the show floor at the end of the show with no labels and no bill of lading turned in.

MATERIAL HANDLING INFORMATION

STORING EMPTY CONTAINERS

Properly labeled empty shipping cartons will be picked up, stored and returned after the show. Labels are available at the **ICES** Service Desk or from your **ICES** Account Executive and are for empty storage only. Depending on the size of the show, it can take from two to twelve hours to return empty crates. Do not store any items in crates marked "empty".

OUTGOING SHIPMENTS

An Outbound Material Handling Form/Bill of Lading must accompany all outgoing shipments. Shipping Information, outgoing forms and labels will be available at the **ICES** Service Desk. Exhibitors selecting non-official carriers will need to make their own arrangements for pickup. Make sure that someone from your company will be on-side to oversee the outbound shipments of your display and product.

MACHINERY LABOR AND EQUIPMENT

Labor and equipment for uncrating, unskidding, positioning, leveling, dismantling, recrating, and reskidding machinery and/or equipment must be ordered separately. Place your order for this labor using the Forklift & labor Order Form. If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

INSURANCE

All of your goods should be insured by your own insurance policy. Although we do our best to handle your goods as our own, there are many variables in shipping and handling that can affect your exhibit and products. **ICES** has published **ICES** Limits of Liability and Responsibility that are in your service kit. Please read them carefully. It is recommended that your goods be insured.

ELECTRICAL SERVICE ORDER FORM

REGULATIONS AND GENERAL INFORMATION

1. ICES is not responsible for voltage fluctuation or power failure due to temporary conditions. For your protection you should install a surge protector on your computer(s). All electrical installation and connections to all electrical service must be made by an ICES electrician. ICES will not be responsible for any damage or loss equipment, component, computer hardware or software and/or any damage or injury to any person caused by the installation, connection or plugging into any electrical outlet by person other than ICES's electrician.
2. Electricity will be turned on within 30 minutes of show opening and turned off within 30 minutes after show closing.
3. 24 hour service to any outlet will be double the list price.
4. Dedicated power (20 AMP min) is double the listed price, and can only be activated before show opening with advance arrangements for date needed.
5. All electrical outlets will be installed on the floor at the draped backwall of in-line booths and peninsula spaces. Exhibitors with hardwall displays must arrange for power to be dropped inside the booth if necessary; this will be done on a time and material basis. If no plan is provided, the power will be installed at our discretion. Additional power drops are chargeable on a time and material basis. Distribution and connection(s) to equipment is chargeable on a time and material basis.
6. All island booths must attach layout of booth and drawing of where you would like to have the electrical lines installed. The electrical box is located in back of the booth. There will be electrical labor charges incurred for the placement of your electrical lines. Please see attached "Electrical Labor Order Form" for the rates and additional information. Should you have any questions regarding electrical line placement in your booth, please call us at (808) 832-2430.
7. Local ordinances prohibit more than 2000 watts per lighting circuit and only one connection for power and motor outlets.
8. All wiring, motors, electrical installations, etc. must be approved. To prevent overloading of circuits, exhibitors cannot add wattage except as ordered.
9. All electrical permits required by the Local Building and Safety Code will be obtained by the electrical contractor.
10. All flood light, column, and wall outlets are not a part of booth space. A separate outlet must be ordered at regular price for each piece of equipment to be connected.
11. Special handling, hookups, repairs or installation of electrical will be done on a time and material basis.
12. Installation is subject to Local Union Contract and Jurisdiction.
13. All equipment should be properly tagged and wired with full information as to current, voltage, phase, cycle, horsepower, etc. and ready for connection.
14. All outlets over 20 amps or with a voltage of over 150 volts require electrical labor. This includes a 1 hour minimum to inspect exhibitor equipment that is pre-wired to plug into our system.

ELECTRICAL CONTRACTOR'S RESPONSIBILITIES

As the Official Electrical Contractor, we will be responsible for:

- All under-carpet distribution of electrical wiring
- All facility overhead distribution of electrical wiring, including coaxial cable, fiber optics and the distribution of same from product to booth and from booth to booth.
- All motor and equipment hook-ups requiring hard wire connections.
- Installation and/or repair of electrical fixtures.
- Installation of electrical motors to be energized and electrical apparatus.

The above items require electrical labor, which may be ordered in the Electrical Labor section on the reverse side.

ELECTRICAL CODE

Electrical Services for Exhibits at Convention Facilities

Electrical requirements for an exhibit at all convention facilities are for the safety of all exhibitors and are based on national Electrical Codes and local ordinances.

Too frequently, fires have been traceable to faulty wiring, sometimes because of carelessness and sometimes because of lack of understanding of the risks involved.

In the interest of public safety, exhibits in the convention facilities may be inspected to determine if any violations exist. If they are found, qualified electricians are available to correct the problems. This work will be performed on a time and material basis. If the exhibitor does not wish to have the fault corrected, electrical services to the offending booth will not be connected.

If an exhibitor is not informed or does not understand basic safety standards for electrical wiring, an electrician should be consulted before shipment is made to convention facilities.

Serious risks are involved which can be eliminated by understanding basic requirements of safe wiring inside your booth. For the safety of you and the public, remember these points:

- All wiring must have a 3-wire grounded cord with a minimum of #14 gauge.
- Spot or floor lighting is a hazard when lamps are too close to fabrics or other materials which can be affected by heat.
- The use of clip-on sign sockets, latex or lamp cord wire in displays, or the use of 2-wire clamp on fixtures, is prohibited by order of fire prevention bureaus at trade shows and conventions.
- Zip cords or two-wire cords are ungrounded and could result in safety hazards. Their use is forbidden in all convention facilities.

PLEASE LEAVE ALL 2-WIRE CORDS AT HOME!

Save Time and Money!! Read Before You Order!

ICES, a provider of electrical services to trade shows and conventions, is committed to customer service. With that in mind, we are providing you with the following information sheets to help you order your electrical service. If you have any questions about your order, please call a Customer service Representative at (808) 832-2430.

ELECTRICAL ORDER CHECKLIST

- Complete your Electrical Rental Order Form
 - Do you require additional Lighting?
 - Check the rating plates on your electrical equipment for wattage or amps, horsepower for motors, voltage and phase.
 - Order 24-hour power if needed. Electricity is normally turned on one hour before each day's show opening and off one-half hour after each day's show closing
 - Indicate your electrical labor requirements on the order form. See attached sheet for further information about the electrical contractor's areas of responsibility.
 - Include a booth floorplan. You may use the attached form to make a scaled drawing, indicating service and lighting locations as well as the adjacent aisle and booth numbers.
 - ENCLOSE PAYMENT. Include a check or complete credit card information on the Payment & Calculation Form that is enclosed in the Exhibitors Service Kit.
 - Review the Electrical Code Requirements on the Regulations and General Information Form. Bring only the electrical equipment that you can use at showsite.
 - Contact a Customer Service Representative with any questions you may have. They may be reached at (808) 832-2430 or via email at ices@iceshawaii.com.

Where will my outlet be located?

There are four different types of trade show booths: Line Booths, Peninsula Booths, Back-to-Back Peninsula Booths and Island Booths.

Each type of booth has its own method of installation. In the following diagrams, the symbol  represents the approximate location of power outlets.

One Drop within booth when power Source is meeting or one location on perimeter when power source is in the floor.

Line Booths, Peninsula Booths, or Back-to-Back Peninsula Booths: Your pre-ordered Electrical Outlet will be installed at the rear of your booth, at the drape line.

Island Booths: You need to designate one location for each outlet you order. Multiple outlet locations will be charged on a Labor and Material basis. For facilities with power originating in the floor, your Electrical Outlet will be placed at one location at our discretion. All other distribution will be done on a Time and Material basis. If you fail to provide us with a floorplan, we will bring your power to one location at our discretion.

How much power do I need?

Calculate your lighting needs by adding wattage in each location. For other equipment, read the Ratings from the metal plates attached to each unit.
