

CO2 Cylinder Warning Notice

An undetermined number of the cylinders (typically used for home kegerators), were manufactured between 2009 through 2011 and improperly marked with the manufacturer's symbol "M0306." The cylinders have been stamped with a period (.) between the month and year of manufacture, i.e., "8.10." PHMSA issued the manufacturing symbol "M0306" to Shanghai Qingpu Fire Fighting Equipment Company, Ltd. (Qingpu), located in Shanghai, China. Arrowhead Industrial Services, Inc. (Arrowhead), as Qingpu's authorized independent inspection

agency, would have marked the cylinders that If the cylinder is identified as marked with a period (.) between the month and year, in lieu of the authorized Arrowhead mark, the person in possession of the cylinder is advised to remove that cylinder from service and contact Qingpu's U.S. Agent at this address: Ms. Yuying Chen, U.S. Agent for Shanghai Qingpu Fire Fighting Equipment Company, Ltd., 1005 Mirror Street, Pittsburgh, PA 15217, Telephone 412) 235-7880, E-mail: yvonnechan2001@yahoo.com.
